

"I believe that in this generation the connect between technology and sport has become a necessity to enhance performance. I myself was a reluctant starter when technology was introduced in analyzing and monitoring performance but as the game evolved, I too have personally come a long way in embracing these platforms to enhance my performance. CricketMentor.tv is an exciting next generation learning platform for cricketers to realize their potential which will not only enable a cricketer to hone his skills but also chase his dreams through their structured mentoring programs". – Sachin Tendulkar

"A platform like CricketMentor.tv ensures that a cricketer has a very structured approach to his preparations and plays a vital role to his overall development"

– Virender Sehwag
